Attention to Detail

# Affan Ansari

## Full Stack Web Developer

## Professional Summary

As a Full Stack Web Developer, I bring a versatile skill set encompassing both frontend and backend technologies. Proficient in HTML, CSS, and JavaScript, I design and implement responsive, user-friendly interfaces. On the frontend, I leverage frameworks like React. With a commitment to clean code and an aptitude for problem-solving, I contribute to the development of scalable and efficient web applications.

## Projects

### Online Auto Parts Shop
